Here are today's top headlines. To read more, click on the title:

[India approves controlled cockpit rest for pilots](#)

India's Directorate General of Civil Aviation (DGCA) has announced support for periods of controlled cockpit rest for pilots.

[Iraq shuts down major airport](#)

Iraq closed the international airport in its second largest city Mosul on Tuesday, grounding all flights without giving any explanation, air industry and security sources said.

[El Al nixes flights to Eilat over safety worries](#)

El Al announced Tuesday it was canceling all of its flights from Tel Aviv to Eilat in response to what it called "a one-sided decision" by the Israel Airport Authority to set a new flight route for the planes.

[ATSB releases training video on data input errors](#)

The Australian Transport Safety Bureau (ATSB) released a training video highlighting some near catastrophes that occurred after experienced pilots incorrectly entered takeoff data in the flight management computer aboard large airline aircraft, including a Boeing 747 and 767 and an Airbus A340.

[DGCA warns Bihar on flight safety issues at Patna airport](#)

Aviation regulator DGCA has warned Bihar government to take urgent steps to upgrade flight safety at the Patna airport or else it will have only small aircraft operating from there.

[Kuwait Airways may delay deal for Airbus jets](#)

Kuwait Airways may delay a plan to buy 25 new aircraft from Airbus, a Kuwaiti newspaper reported on Monday, saying the state-owned carrier would prioritize leasing planes instead.

[New OSHA cabin rules take effect this month](#)

New work rules governing occupational safety and health conditions for cabin crew will become effective September 26.
