Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Why would-be pilots are being kept out of airline cockpits](#)

Zachary Wilkinson was just a few months into his freshman year at Embry-Riddle Aeronautical University when the path he'd set out for himself — earning a degree in aeronautical science and landing a job as a commercial pilot — was upended.

[Irish High Court blocks planned airport strike](#)

Ireland's High Court on Wednesday issued an order blocking an airport strike, after Ireland's largest union served notice on Aer Lingus and the country's two main airport authorities that it planned a work stoppage later this week.

[Cambridge airport suspends international flights](#)

Etihad Regional has temporarily suspended services between Cambridge Airport and Amsterdam and Geneva following a review of operations by the airline.

[Pilots union wants 'Walmart of the skies' Norwegian Air banned from US](#)

An international airline now flying in and out of LAX is offering some of the lowest fares in the world.
