Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[New Zealand laws crack down on hand-held lasers](#)

New laws will crack down on hand-held lasers being imported, sold and supplied in New Zealand, in the wake of court cases against people who used them to distract pilots.

[Turkish Air faces strike as deadline approaches](#)

Turkish Airlines staff are highly likely to go on strike from Wednesday, a union official said, raising the prospect of flight delays and cancellations in a dispute over pay and the reinstatement of sacked workers.

[Turning off iPhone critical to pilots citing interference](#)

The regional airliner was climbing past 9,000 feet when its compasses went haywire, leading pilots several miles off course until a flight attendant persuaded a passenger in row 9 to switch off an Apple Inc. iPhone.

[Captain locked out as plane cockpit door jams](#)

Air India says the cockpit door of one of its planes got jammed during a flight while the captain was using the toilet, forcing an unscheduled landing by the co-pilot in central India.

[In the first test of its kind, Navy catapults drone from aircraft carrier deck](#)

A Navy commander described Tuesday's first-ever catapult drone launch from an aircraft carrier a 'watershed event' for Naval aviation and the start of new era for unmanned aerial systems.

[Unions to combine in American, US Air merger](#)

Two unions that represent ground workers at American Airlines and US Airways said they would combine to become the bargaining agent for nearly 30,000 employees after the airlines merge.
