Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Bombardier's C series reaches a milestone at 12,500 feet](#)

With the maiden flight of the C Series, Bombardier Inc. has officially ascended into commercial airspace ferociously guarded by industry giants Airbus SAS and Boeing Co.

[Germany's controllers to walk out in protest](#)

German air traffic controllers are to strike against Brussels' plan to accelerate airspace harmonisation as part of the Single European Sky programme, according to trade union *Gewerkschaft der Flugsicherung*.

[ICAO report highlights safety records of Africa and Asia](#)

The International Civil Aviation Organization's 2013 annual safety report on commercial aviation concludes that although Africa accounts for only 5 percent of accidents recorded last year, that region's accidents account for 45 percent of the fatalities, more than any other area ICAO reviewed.

[DOT: ATC training is still not up to snuff](#)

An August 27 report by the U.S. Department of Transportation's Inspector General (IG) concludes that none of the 49 suggestions related to the hiring and training of new air traffic controllers outlined in the FAA's independent review panel two years ago have been implemented.

[Kingfisher staff plan hunger strike if dues are not paid](#)

Kingfisher airlines staff have renewed demand for their salary dues and have threatened to launch a hunger strike, if their demands are not met.

[Stansted to cut Ryanair fees in return for more flights](#)

Ryanair has persuaded London's Stansted airport to cut the fees levied on the low-cost airline in return for a promise of sharply increased flights to and from the airport in coming years.
