Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Man sets himself alight at Rome airport](#)

A man from Ivory Coast doused himself with fuel and set himself on fire at Rome's Fiumicino airport on Thursday after showing officials a deportation order, police said.

[UK team to investigate using digital TV signals for Air Traffic Management](#)

Thales UK, NATS and Roke Manor Research will examine a new system known as multi-static primary surveillance radar (MSPSR), which uses existing digital TV signals to support air traffic management (ATM).

[PSA Airlines and ALPA reach a tentative agreement for a new contract](#)

PSA pilots, represented by the Air Line Pilots Association, International (ALPA), have reached a tentative agreement with PSA Airlines, a wholly owned subsidiary of US Airways Group, Inc.

[Unforgettable landing ends with pilot's confidence shaken, but not broken](#)

A student pilot's airplane collides with an SUV as it lands on a Tennessee runway.

[Airline merger could squeeze some hub airports](#)

A merged American Airlines and US Airways will carry more passengers around the world than any other, but even the biggest airline flying doesn't need eight hub airports on the ground.

[Qatar unveils Airport City plans](#)

The State of Qatar has announced plans to transform the area around the country's new Hamad International Airport into an Airport City, in a bid to capitalise on the commercial and business opportunities offered by the gateway.
