Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Israel closes Haifa Airport due to rockets fire from Lebanon](#)

Israel announced on Friday closure of Haifa Airport, north its lands, following firing of rockets from Lebanon towards that area yesterday, a spokesman for Israeli army stated.

[FAA issues policy to improve workplace safety for aircraft cabin crewmembers](#)

The U.S. Department of Transportation's Federal Aviation Administration (FAA), working with the U.S. Department of Labor's Occupational Safety and Health Administration (OSHA), today issued a final policy for improving workplace safety for aircraft cabin crewmembers.

[Potholes on airport runway spell trouble for Nepal tourism](#)

Nepal has asked foreign airlines not to land heavily-loaded wide-body aircraft at the Himalayan nation's international airport, aviation authorities said on Friday, after potholes were found on the runway before the annual influx of mountain-going tourists.

[ICAO certifies Nigeria's airspace as safe](#)

The International Civil Aviation Organization has listed Nigeria as one of the 14 countries in Africa that have achieved effective air safety implementation above the global average of 61 per cent.

[Argentina scolds LAN for stirring concern](#)

LATAM Airlines, the biggest carrier in Latin America, is stirring popular sentiment against Argentina, the country's airport regulator said on Thursday, in a standoff threatening operations at a key Buenos Aires airport.

[Heathrow completes southern runway upgrade](#)

The £20million make-over of Heathrow's southern runway is one step closer, after the completion of the replacement of the asphalt surface, and the start of the final installation of the new lights and cabling.
