Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Russian pilots raise alarm over safety at Aeroflot](#)

A union of Russian pilots at Moscow's Sheremetyevo International Airport on Tuesday accused the country's flagship carrier Aeroflot of endangering passengers' lives by overworking staff in search for profit.

[Europe travel hampered as air traffic controllers strike](#)

Strikes by air traffic controllers have begun to disrupt travel throughout Europe as unions start two days of walkouts to protest against planned cost cuts and reforms.

[ALPA again urges end to ExIm financing of widebodies](#)

The Air Line Pilots Association sent a letter Tuesday to Senate Banking Committee chairman Tim Johnson (D-S.D.) and ranking member Mike Crapo (R-Idaho) urging the committee to impose tighter oversight on the Export-Import Bank of the United States and Congress to work toward eliminating financing for widebody aircraft to foreign carriers.

[ATSB explains recent runway incursion](#)

The Australian Transport Safety Bureau (ATSB) recently reported a simple cause for last year's

ULUSLARARASI TEMSİL IFALPA BELGESİ

close call between a Fairchild SA-227 cargo airplane and a Bell 47G helicopter at the non-tower Ballina/Byron Gateway Airport in New South Wales: the volume of the helicopter's receiver was turned down.

[Passenger traffic at Changi Airport](#)

Changi Airport has sealed its status as a major aviation hub in Asia-Pacific with record-breaking passenger traffic and more destinations added to its network in 2013.

[Aviation Ministry announces new positions to address safety concerns](#)

Fearing a downgrade by the US aviation regulator, Federal Aviation Authority (FAA), the Civil Aviation Ministry on Wednesday announced approval for creation of 75 crucial posts in Director General of Civil Aviation (DGCA) to carry out safety inspection of airlines and private charter companies.
