Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[HC clears path for Jet pilots' union](#)

The Bombay High Court has cleared the way for the formation of a pilots' union in Jet Airways.

[Pawan Hans pilots go on flash strike, cripple ONGC ops](#)

Forty Pawan Hans pilots refused to fly their helicopters from Mumbai to the offshore rigs on Monday to show solidarity with five senior officials who quit on Saturday protesting against the lack of safety cover to pilots flying to Maoist strongholds in central India.

[‘Slow progress’ on air safety front](#)

Nepal has made only slight progress in improving aviation safety as per an audit conducted by the International Civil Aviation Organization (ICAO).

[Virgin pilots union backs Borghetti](#)

It is perhaps no surprise that the union representing Virgin Australia's pilots, the Virgin Independent Pilots Association (VIPA), has come out in support of the airline and its CEO, John Borghetti, but what is perhaps surprising is the strength of the language it has used to do so, with a statement saying that the days of a national carrier "are over", and fingering Qantas for "capacity dumping".

[Bombardier Safety Standdown 2013: Build cross-checking and pilot-monitoring skills](#)

Recognizing the value of crew monitoring and cross checking skills, the industry is poised to roll out the first edition of a comprehensive training guide to teach pilot monitoring skills.

[Iranian carriers to gorge on aircraft spares as sanctions are lifted](#)

Iran Air along with other Iranian carriers will at long last be able to acquire much needed spare parts for their ageing aircraft fleets after sanctions on the country's aviation industry were partially lifted.

[Kenya breaks ground on big new airport](#)

Only four months after a raging fire engulfed the arrivals terminal at Kenya's main airport, officials are breaking ground on new airport construction that Kenyan leaders hope will cement the country as East Africa's transportation leader.
