Dear Colleagues,

The [IFALPA Daily News](#) is now available online.

Here are today's top headlines. To read more, click on the title:

[Russia bans passenger flights over Syria](#)

Russia's air transport agency on Tuesday banned all Russian civilian planes from flying through Syrian air space after the crew of a Russian passenger jet reported coming under threat over the war-torn country.

[Bill would require secondary cockpit barriers to prevent hijackings](#)

A new bipartisan bill in the House would require secondary cockpit barriers in all commercial aircraft to prevent terrorists takeovers when pilots open flight-deck doors.

[Athens International Airport announcement on Ryanair's allegations](#)

Athens International Airport has released a statement following Ryanair's Press Conference held on 25 April, titled "Ryanair's rescue plan for the Greek tourism".

[Turkish Airlines mulls plan to curb Russian on-board drinking](#)

There's no better way to start and end a holiday in Turkey than with a drink, but it appears that some Russian tourists are taking things a bit too far.

[Civil Aviation Authority seeks reduction in airport charges](#)

Heathrow airport has been told to introduce a real-terms cut in the fees it charges airlines in order to curb its "substantial market power" – a move that could put the brakes on spiralling air fare increases.

[NASA tests flower-based biofuel for jets](#)

In Hampton Roads, a jet engine may be the sound of freedom, but the contrail it leaves behind is nothing to salute.
